

## Technical note of Station Data

Data Source: GTS

Variable and unit:

- MEAN: mean air temperature in °C
- MAX: maximum air temperature in °C
- MIN: minimum air temperature in °C
- PRCP: precipitation in mm
- SNWD: snow depth in inches

Scope: TPRCC Core Region (TPCF), i.e. region with elevation above 2000m isoheight

File format: \*.csv

Naming convention:

- daily\_variable
- monthly\_variable
